How to Transition into Non-bench Positions in Biotech/Pharma Industry March 7th, Saturday, 8 - 2

The HBA San Francisco chapter and Women in Life Science at UCSF have created a six-hour workshop to help scientists prepare for opportunities away from the bench.

This comprehensive workshop will help you:

- Identify transferable skills
- Design a marketable resume
- Build your digital brand and network
- Create an action plan
- Network with industry professionals from different sectors and levels during lunchtime
